

## About us:

We are a well known name in Pan India for Hygiene and Maintenance Products, House keeping material, Stationery Items and other office Supplies.

We have as clientele leading majors from their respective fields like IT, ITES, BPO, Banking, Manufacturing, Auto, Engineering, Architects and Builders.

We are proud of our impeccable service record and our vast product range. Our product complement each other and help in reducing customer worries, Whether it be the office environment or the factory shop floor or critical areas in hotels or hospitals.
